WRVU GUEST DJ APPLICATION

By signing this document you acknowledge and understand the following rules of participation in WRVU radio.

- Participation for non-student guest DJ's at WRVU is determined on an invitation basis. The VSC, Inc. Board of Directors must approve all potential non-student participants in advance. The Board will provide a list of approved participants to the student station manager who may invite non-students to fill time slots at his or her discretion. Participation at WRVU for non-student guest DJ's is not guaranteed just by completing the training program, and participation status may be revoked by the student station manager or the VSC, Inc. Board of Directors at any time for any reason.
- All participants at WRVU agree to adhere to all station policies as set forth by the station administration. Policies are outlined in the WRVU Operations Manual, updated annually, and immediate policy changes are communicated to the staff via the WRVU STAFF email listserv.
- All participants must subscribe to the WRVU STAFF email listserv, as vital station announcements and policies will be distributed via this list.
- All participants accept responsibility for the conduct of any guests they may invite into the WRVU facilities and greater Vanderbilt campus. Any violation of station or campus policies by guests of WRVU participants will be considered a violation by the WRVU participant and will be subject to disciplinary action for the guest(s) and the participant.
- All participants understand that there is an in-studio webcam and agree to be broadcast on the webcam video stream.
